§ 36.1 Scope.

The provisions of this part apply to any board of trade or electronic trading facility eligible for exemption under sections 5d and 2(h)(3) through (5) of the Act, respectively.

§ 36.2 Exempt boards of trade.

(a) *Eligible commodities.* Commodities eligible under section 5d(b)(1) of the Act to be traded by an exempt board of trade are:

(1) Commodities having—

(i) A nearly inexhaustible deliverable supply;

(ii) A deliverable supply that is sufficiently large, and a cash market sufficiently liquid, to render any contract traded on the commodity highly unlikely to be susceptible to the threat of manipulation; or

(iii) No cash market.

(2) The commodities that meet the criteria of paragraph (a)(1) of this section are:

(i) The commodities defined in section 1a(13) of the Act as “excluded commodities” (other than a security, including any group or index thereof or any interest in, or based on the value of, any security or group or index of securities); and

(ii) Such other commodity or commodities as the Commission may determine by rule, regulation or order.

(b) *Notification.* Boards of trade operating under Section 5d of the Act as exempt boards of trade shall so notify the

Commission. This notification shall be filed with the Secretary of the Commission at its Washington, DC headquarters, in electronic form, shall be labeled as “Notification of Operation as an Exempt Board of Trade,” and shall include:

(1) The name and address of the exempt board of trade; and

(2) The name and telephone number of a contact person.

(c) *Additional requirements.* (1) *Prohibited representation.* A board of trade notifying the Commission that it meets the criteria of Section 5d of the Act and elects to operate as an exempt board of trade shall not represent to any person that it is registered with, designated, recognized, licensed or approved by the Commission.

(2) *Market data dissemination.* (i) *Criteria for price discovery determination.* An exempt board of trade operating a market in reliance on the exemption in Section 5d of the Act performs a significant price discovery function for transactions in the cash market for a commodity underlying any agreement, contract, or transaction executed or traded on the facility when:

(A) Cash market bids, offers or transactions are directly based on, or quoted at a differential to, the prices generated on the market on a more than occasional basis; or

(B) The market's prices are routinely disseminated in a widely distributed industry publication and are routinely consulted by industry participants in pricing cash market transactions.

(ii) *Notification.* An exempt board of trade operating a market in reliance on the exemption in Section 5d of the Act shall notify the Commission when:

(A) It has reason to believe that cash market bids, offers or transactions are directly based on, or quoted at a differential to, the prices generated on the market on a more than occasional basis;

(B) It has reason to believe that the market's prices are routinely disseminated in a widely distributed industry publication and are routinely consulted by industry participants in pricing cash market transactions; or
